## About Me

Passionate Full-Stack Web Developer with hands-on experience building dynamic, responsive web applications using MERN stack. Currently learning Next.js and eager to grow as a frontend or full-stack developer. Self-driven and goal-oriented, with an entrepreneurial mindset.

## Technical Skills

- Frontend & UI: React.js, TailwindCSS, Next.js, JavaScript
- Backend: Node.js, Express.js, MongoDB
- Animation & UI Effects: Adobe After Effects, Framer Motion, React Bits
- Others: Basic Digital Marketing, Python (basic for AI/ML)
- Additional: Experience managing an online business - product, customer, growth handling

## Education

Bachelor of Science in Computer Science and Engineering (CSE)

University of Liberal Arts Bangladesh (ULAB)

Expected Graduation: 2026

GPA: 3.49/4.00

My engineering background has trained me to think logically, solve problems efficiently, and work persistently, qualities I bring to every project.
